Who Participates in Career Training?

- In 2012, we provided career-path training in construction for 46 young people:
- Ages 17-25
- 100% low-income residents of South Los Angeles
- 98% unemployed
- 35% Latino and 65% Black/African American
- 59% Male and 41% Female
- Approximately 30% had a history of foster care and/or justice system involvement
- Approximately 15-20% reported episodes of homelessness

CRC Denterprises

Results from Career Training

- 46 youth (100%) completed our career training programs
- In training, youth helped to build affordable housing, landscape a park, maintain a garden, remove graffiti, and beautify South Los Angeles
- 46 youth (100%) earned a nationally-recognized *Pre-Apprentice Certificate* from the Home Builders Institute in:
- ***Painting/Finishing * Landscaping * Carpentry * Weatherization***
- We are now assisting our graduates to obtain jobs and enroll in further education/training; so far, 21 youth have found jobs or started school

CLASS OF 2012

Thank you for supporting the empowerment of young people to be lifetime learners and leaders
